TABLE of EXPLANATION.

- I. To prevent Confusion, here is only the *paternal Coat* of each Family, unless where the Quarterings are necessary or unchangeable.
- II. Under each Coat is the *paternal Name* belonging to it.
- III. The Dates shew the Precedency, the Numbers refer to the Arms, which are become irregular by the Alterations, Extinctions, Promotions, and Attainders. So *Scot E. of Doncaster*, Arms 69, has Rank after *Carlisle* (25) in the *English* Earls.
- IV. Where a Peer of *England* is also a Peer of *Scotland*, or *Ireland*, his Arms are repeated with Marks of Reference, as
ED English Duke, *EE English Earl*, &c. *SM Scots Marquis*,
IV Irish Viscount, &c. *SB Scots Baron*, &c.
